EENA Meeting
7:00 pm

Present: S. Lord, R. Quick, Rocky, L. Hamilton, B. Bennett, D. Smith, L. Arpin

1. ACHD Application for grant funding (renewal) \$17,000 request regarding E. Jefferson/McKinley.
 - a. Really pushing this time to get the grant reinstated. Does not represent the whole cost of the project, but is a placeholder figure until all surveys and figures are compiled. Ross Oyen from ACHD seems to be sympathetic. (Ross said that the Walnut/Lewis curb is being mitigated solely in their department.)
 - b. Rocky: Attended neighborhood watch meeting today. New funding sources coming in of over \$5mm. We might want to position EENA accordingly. Some stimulus funds available (Rocky and Steve are aware of this).
 - c. Informal discussion about other projects.
2. Minutes from previous meeting adopted as prepared.
3. Discussion about the Boise State Radio coffee invitation. We don't fit their plan.
4. Open house in lieu of meeting, open to public. Deanna will approach Roosevelt Market to see if they are willing to host. Progressive idea nixed for lack of hosts. If that idea doesn't materialize, the December meeting will be skipped.
5. Motioned passed to purchase a sign if the December open house idea materializes.
